

PROJECT FOCUS

.....
 To develop methodologies for evaluating the Austin Together pilot at a high-level.

DELIVERABLES

-
- Evaluation framework & aligned surveys
 - Database and dashboard configured to auto-populate with real-time survey data
 - Report outlining findings from initial surveys disseminated
 - Processes guide – document summarizing each evaluation/data collection tool developed + set of recommendations for using and expanding on them in the future

AUSTIN TOGETHER

Austin Together enables sustained collaborations that strengthen the nonprofit community to create better outcomes for Central Texans. Since its launch in 2020, it has made 27 grants to 40 organizations, helped explore 13 collaborations, and supported the implementation of four mergers.
