

PROJECT FOCUS

.....

To develop measurement tools and procedures for conducting an evaluation on the Keep Austin Housed/AmeriCorps program.

DELIVERABLES

-
- Research compilation of best practices used for measuring outcomes outlined in KAH’s evaluation plan
 - Development of a pre-/post-survey to utilize with KAH clients
 - Development of focus group protocols (in-person and online versions) to better understand the effectiveness of KAH’s AmeriCorps trainings
 - Development of a user manual outlining data collection procedures from deliverables #2 and #3

Front Steps was originally formed in 1997 as the Capital Area Homeless Alliance in response to a recommendation of the Community Action Network’s 1996 Comprehensive Plan for Addressing Homelessness. It leads the ONLY AmeriCorps program in Texas focused solely on homelessness—bringing financial and staffing resources to this work in Austin - Keep Austin Housed (KAH).
