

PROJECT FOCUS

.....

To create an automated, agency-wide dashboard that accurately reflects the impact of Out Youth's programs.

DELIVERABLES

.....

- Linkage of client management system (Podio) with Google Data Studio
- Creation of a comprehensive, visually appealing dashboard that automates collection of monthly data across programs

Out Youth provides Central Texas LGBTQIA+ youth and their allies a safe space to come together, receive support, and make friends who understand who they are. Its core offerings include hosting a variety of programs and services for youth and conducting trainings and providing resources for parents, teachers and community members.
