

## PROJECT FOCUS

To provide estimates of how philanthropic giving has changed in response to events of 2020 and early-2021.

## DELIVERABLES

- Identification of possible reasons for data discrepancies between previous CONNECT project findings and Candid's findings
- A companion report looking at PSW foundation members' response to COVID-19 and racial equity and justice

Philanthropy Southwest (PSW) is a philanthropic support organization serving seven states in the southwest region of the U.S. Its mission is to foster meaningful philanthropy and trusted relationships that impact the southwest region's people, communities, and most pressing issues.
